25X1 6. [ ] In the absence of Senator Milton Young,  
25X1A I talked to Mr. Chris Sylvester of the Senator's staff, and said that we had  
been in touch with [ ] who had been recommended to us by  
the Senator, and arrangements have been made for his entry on duty on or  
about 7 February.

25X1 7. [ ] Met with Mr. Ralph Preston, House Appropriations  
Committee staff, who told me that if the House closes up shop early enough  
this week, he will try to schedule a time to review the classified documents  
held by the Committee with me to return those no longer needed for retention  
in the Committee. As soon as this exercise is completed, a new safe will  
be delivered to his office.

I briefed him on the current situation in Indochina and India/Pakistan.

25X1 8. [ ] In response to his request, I met with  
Mr. Garner J. Cline, Counsel, Immigration and Naturalization Subcommittee,  
House Judiciary Committee. Mr. Cline needed advice on security procedures  
to be followed in assisting the International Commission on Emigration and  
Migration with regard to security clearances for individuals moving into the  
Western Hemisphere and from the United States to African countries. In brief,  
I told Mr. Cline that these matters would be exclusively in the control of the  
Department of State and the Federal Bureau of Investigation.

25X1 9. [ ] Talked to Mr. Arthur Kuhl, Senate Foreign  
Relations Committee staff, who told me that as a follow on to our earlier  
conversations, he had talked to Seth Tillman, of the Committee staff, who  
is heading up the "Pentagon Papers Group" and that he is perfectly agreeable  
to continue the established procedures on handling of classified transcripts  
of Committee briefings which are held by the Agency for safekeeping. The  
transcripts will be forwarded when requested at the beginning of the day to  
S. 116, the main Committee room, and will be reviewed in that room with  
the transcripts being picked up at the close of business each day. Mr. Kuhl  
also mentioned, in passing, that Senator Symington has not given any further  
clarification on the itinerary he intends to follow.

25X1 10. [ ] Received a call from Mr. George Murphy,  
Deputy Director, Joint Committee on Atomic Energy, who requested a briefing  
on the Soviet orbital satellite surveillance system. Several members of the  
Joint Committee have become interested as a result of this morning's Post item  
concerning a recent Soviet test of the system. After checking with Mr. Dave  
Brandwein, FMSAC, the meeting was scheduled for 10:30 a.m., Thursday,  
16 December.
